## Elementary (A1- B)

### Overall course description:

4 Modules.

12 lessons in each Module. 5 hours a week. (2 lessons per week)

30 hours of study in each Module

120 hours of study in all 4 modules

### Learning aims:

- ✓ The course integrates speaking, writing, listening, and reading skills using a “communicative approach.” The course aims at helping you communicate successfully with others in real life.
  - ✓ Every lesson has a language focus stage where you can learn new vocabulary, work on a new grammar area, or focus on pronunciation.
  - ✓ At the end of each module, you can revise the covered material through a revision test which helps you reflect on your progress and identify the areas you need to work on in the future.
- 

### Module B topics:

1. Coffee break.
  2. At the shops.
  3. What to buy.
  4. The right job for you.
  5. About my job.
  6. My office.
  7. Dress code.
  8. My favourite film.
  9. Surfing the net.
  10. Let's see the world.
  11. The best way is.
- 

### Lesson outcomes:

**Lesson 1:** I can start a conversation and use questions in Past Simple to interview my classmates about their weekend.

**Lesson 2:** I can use shopping phrases and do a role play between a shopper and shop assistant at a grocery shop.

**Lesson 3:** I can use adjectives to describe various objects in a shop. I can ask a shop assistant to help me choose a gift.

---

**Lesson 4:** I can use names of jobs and talk about the jobs I like to do. I can use subject and object questions to interview my classmates about their jobs.

**Lesson 5:** I can use adjectives to describe different jobs. I can discuss positive and negative sides of various jobs and vote for the best job.

**Lesson 6:** I can use adjectives and prepositions of place to describe my office. I can use relevant vocabulary and make questions to role play a dialogue between a real estate agent and a customer.

**Lesson 7:** I can talk about different clothes items and use adjectives to describe them. I can use modals of permission and obligation to talk about dress code at work.

**Lesson 8:** I can talk about different film genres and describe each using positive and negative adjectives. I can interview my classmates about their favourite film.

**Lesson 9:** I can use the Internet related vocabulary and describe my online activities. I can use adverbs of frequency and interview my classmates about their online habits.

**Lesson 10:** I can use transport collocations and talk about travelling. I can talk about different countries and nationalities. I can plan a world- round trip using some expressions for suggestions.

**Lesson 11:** I can use comparative and superlative adjectives to compare different modes of transport and suggest the best ways to travel around my country.

**Lesson 12:** Module test and counselling. I can reflect on my progress in this module. I can ask the teacher questions about what I should do next.
