
Elementary (A1- D)

Overall course description:

4 Modules.

12 lessons in each Module. 5 hours a week. (2 lessons per week)

30 hours of study in each Module

120 hours of study in all 4 modules

Learning aims:

- ✓ The course integrates speaking, writing, listening, and reading skills using a “communicative approach.” The course aims at helping you communicate successfully with others in real life.
 - ✓ Every lesson has a language focus stage where you can learn new vocabulary, work on a new grammar area, or focus on pronunciation.
 - ✓ At the end of each module, you can revise the covered material through a revision test which helps you reflect on your progress and identify the areas you need to work on in the future.
-

Module D topics:

1. Different customs and habits.
2. Going to the doctor.
3. Staying healthy.
4. Business travel.
5. Green environment.
6. I have a problem.
7. Signs.
8. Right or wrong.
9. First times.
10. I think.
11. Hotels.

Lesson outcomes:

Lesson 1: I can discuss customs and habits in my country and around the world. I can debate superstitions about different nations and use expressions to agree or disagree.

Lesson 2: I can use vocabulary describing body parts and talk about my physical condition. I can use vocabulary related to illnesses and treatment and roleplay a dialogue between a doctor and patient.

Lesson 3: I can discuss healthy eating using appropriate vocabulary. I can use phrases to give advice on staying healthy and fit.

Lesson 4: I can use travel collocations and describe a business trip. I can interview my classmates about their last business trip using questions in the past form.

Lesson 5: I can talk about environmental problems using relevant vocabulary. I can use IF sentences to talk about real conditions with possible results in the future. I can use expressions to suggest solutions to various environmental problems.

Lesson 6: I can talk about problems at work using appropriate vocabulary. I can suggest possible solutions to the problems using IF sentences.

Lesson 7: I can describe signs in various public areas. I can use language of obligation and permission to talk about rules in different places.

Lesson 8: I can talk about problems related to cars in big cities using relevant vocabulary. I can use language of suggestions to find solutions to the problems. I can discuss future of cars using appropriate vocabulary.

Lesson 9: I can describe my first-time experiences using past forms. I can use adjectives to describe the feelings and emotions I experienced in those situations. I can use questions in the past to interview my classmates about their first-time experiences.

Lesson 10: I can use menu vocabulary and describe menus in restaurants. I can discuss restaurant problems and suggest solutions using phrases for suggestions and recommendations.

Lesson 11: I can use appropriate vocabulary and talk about hotel rooms and facilities. I can use positive and negative adjectives and describe different types of accommodation. I can talk about my best or worst hotel experience.

Lesson 12: Module test and counselling. I can reflect on my progress in this module. I can ask the teacher questions about what I should do next.
